Georgia Child Abuse Conference: from Prevention to Intervention

Presented By:
Prevent Child Abuse Georgia and
The Stephanie V. Blank Center for Safe and Healthy Children

7 September 2017
Marriott Century Center
Atlanta, GA

The conference will feature many prevention-focused workshop topics professionals have come to expect and will also offer topics of interest to those who work in the multi-disciplinary setting when treating victims of maltreatment. This year we will explore one construct that touches the lives of many families we work with - poverty, to help gain perspective on those we seek to help the most.

Our 2017 Keynote Speaker will be Donna M. Beegle, Ed.D. Donna brings unique insights from having grown up in the deepest poverty in America and of studying and speaking on poverty for over 26 years. Donna’s inspiring story and work have been featured in newspapers around the nation, on local TV and on National programs such as PBS. After growing up in generational migrant labor poverty, leaving school for marriage at 15, having two children and continuing to cope with poverty, she found herself, at 25, with no husband, little education, and no job skills. What followed were: self-confidence, a G.E.D., an A.A. in Journalism, a B.A. (with honors) in Communications, a Master’s Degree in Communication with a minor in Gender Studies (with honors), and completion of a Doctorate Degree. In 2010, Portland State University's School of Social Work dedicated the Donna M. Beegle Community Classrooms in her honor. In 2011, Donna received the 2011 Oregon award for excellence in ethical business practice, and in 2015 she was a named Woodrow Wilson Fellow at Princeton University.
