ABOUT PREVENT CHILD ABUSE AMERICA

Prevent Child Abuse America, founded in 1972 and based in Chicago, works to ensure the healthy development of children nationwide. The organization promotes that vision through a network of chapters in 49 states and over 400 Healthy Families America, home visitation sites in 37 states, the Mariana Islands, Puerto Rico and Canada. A major organizational focus is to advocate for the existence of a national policy framework and strategy for children and families while promoting evidence-based practices that prevent abuse and neglect from ever occurring.
